TO WHOMSOEVER IT MAY CONCERN

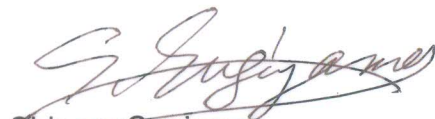

We are pleased to state that we are now Business Partners of Microverse Automation Pvt. Ltd. (hereinafter called 'MAPL'). Our association with MAPL is by way of equity participation in the Company.

Hitachi High-Tech Solutions Corporation is one of the Hitachi Group Companies has supplied its own DCS and measurement product for process industries in Japan and Asian countries for decades.

One of the major objectives of our association with MAPL is to help promote DCS MICROSYS 3200 ET and associated products developed by MAPL in domestic and in international markets.

We wish to further state that we closely monitor and are actively involved in MAPL's efforts for continual improvement in Quality, Performance, Features, and Reliability of products and services offered by MAPL.

Yours faithfully,

Shigeru Sugiyama

Executive Managing Director
